

# Transform Your Health Hair Test Form

Please note that if you are a new client you will also need to fill in the new client questionnaire

<b>First Name:</b>	<b>Last name:</b>	<b>DOB:</b>
--------------------	-------------------	-------------

If you are a **NEW** client please choose from the following options:

Hair test, online consultation and Programme/Pills by post (tick the box for the service you require)

**UK £110**                      or                      **Europe £120**                      or                      **World (not USA or Canada) £125**

The first consultation takes a bit longer to talk through medical history and involves more extensive testing so there is a higher price for the first consultation only. Any subsequent consultations are priced as detailed below for an existing client.

---

If you are an **EXISTING** client please choose from the following options:

Hair test, online consultation and Programme/Pills by post (tick the box for the service you require)

**UK £80**                      or                      **Europe £90**                      or                      **World (not USA or Canada) £95**

---

Please note that costs are slightly higher than face-to-face consultations to cover the cost of postage and packing for the homeopathic pills supplied as part of the recommended programme. Please note that the client is responsible for the cost of any customs/import charges that may be applied.

Please either enclose a cheque made payable to 'Wendy Angus' for the relevant amount above or tick below if you would like to pay online and I will email you my account details:

Pay Online:

Online consultations will take place using Google Meet. I will email you a link the morning of the consultation.

Email address to be used for arranging/carrying out online consultation: \_\_\_\_\_

If you would prefer a consultation on the telephone: Phone number: \_\_\_\_\_ (UK only)

Please note that online consultations are a maximum of 1 hour but will usually take much less time than this – they are purely to discuss what has come up during hair testing and to pick up on any emotional issues that may be contributing to ill-health. For new clients there will also be additional time to talk through medical history at the beginning of the session, based on the new client questionnaire.

Online consultation can be either with or without video. Please tick below which you would prefer:

**Video and audio**                                            or                      **Audio only**
