Transform Your Health Hair Test Form

Please note that if you are a new client you will also need to fill in the new client questionnaire

First Name:	**Last name:**	**DOB:**
If you are a **NEW** client - Hair test, online consultation and Programme/Pills by post in the UK only: **£120** **Follow up consultations** – hair test, online consultation & Programme/Pills by post in the UK only: **£90**		
Online consultations will take place using Google Meet. I will email you a link the morning of the consultation. Please note that online consultations are a maximum of 1 hour but will usually take much less time than this Please indicate if you have any special requirements eg Would prefer a phonecall, no video, whatsapp etc		
If your medication has changed since your last consultation please provide details below (new clients to use new client questionnaire to list medication):		
What are the key health issues/symptoms you are experiencing at the moment (new clients to use new client questionnaire to list health issues):		
Hair - Please pluck a minimum of 4 hairs from the nape of neck (you can use hair from elsewhere on the body as an alternative if head hair is too short eg under the arms or chest hair). **Please ensure the root (bulb) is attached and sellotape to the paper below (please do not sellotape over the root)**		

Please either post or deliver this form with hair attached to:
